Alaska Railroad schedules open house in Fairbanks to discuss proposed capital project plans for 2004

Four events provide ample opportunity to participate: Anchorage, Fairbanks, Wasilla and Seward

ANCHORAGE, Alaska – The Alaska Railroad (ARRC) invites the public to an open house on Friday, January 9, from 4:30 to 6:30 p.m., at the Fairbanks Rail Depot, 280 N. Cushman Street. The venue provides an opportunity to review and comment on a proposed Program of Projects (POP) for 2004.

The open house will showcase continuing and proposed capital improvement projects that are in various stages – from conceptual planning to construction. Project managers will be on-hand to explain projects that are located all along the Railroad system from Seward to Fairbanks, with an emphasis on system-wide and Interior-area projects, including:

- Fairbanks Intermodal Facility & Loop Track
- Fairbanks and North Pole Rail Realignment
- Nenana Rail Realignment
- Denali Depot
- Siding Improvement and Bridge Improvement programs
- Collision Avoidance System

Alaska Railroad Project Open House events are also scheduled in:
